

Horse with No Name

On the first part of the journey

I was looking at all the life

There were plants and birds and rocks and things
There was sand and hills and rings
The first thing I met was a fly with a buzz
And the sky with no clouds
The heat was hot, and the ground was dry
But the air was full of sound

I've been through the desert

On a horse with no name

It felt good to be out of the rain
In the desert, you can remember your name
'Cause there ain't no one for to give you no pain
La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la

After two days in the desert sun
My skin began to turn red
After three days in the desert fun
I was looking at a river bed
And the story it told of a river that flowed
Made me sad to think it was dead
You see I've been through the desert
On a horse with no name
It felt good to be out of the rain
In the desert, you can remember your name
'Cause there ain't no one for to give you no pain
La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la

After nine days, I let the horse run free
'Cause the desert had turned to sea
There were plants and birds and rocks and things
There was sand and hills and rings
The ocean is a desert with it's life underground
And a perfect disguise above
Under the cities lies a heart made of ground
But the humans will give no love
You see I've been through the desert
On a horse with no name
It felt good to be out of the rain
In the desert, you can remember your name
'Cause there ain't no one for to give you pain

Singin' in the rain

I'm singin' in the rain

Just singin' in the rain

What a glorious feeling

And I'm happy again

I'm laughing at clouds

So dark, up above

The sun's in my heart

And I'm ready for love

Let the stormy clouds chase
Everyone from the place
Come on with the rain

I have a smile on my face
I'll walk down the lane
With a happy refrain

Just singin', singin' in the rain

Fly Me to the Moon

Fly me to the moon

Let me play among the stars

Let me see what spring is like on

Jupiter and Mars

In other words, hold my hand

In other words, baby, kiss me
